MAKING TEDDY BEARS: PROJECTS, PATTERNS, HISTORY, LORE

2002. Soft Cover. Book Condition: New. 8.25 x 10 in. Collector Bookstore is a retailer of new books located in Leavenworth, Kansas. We specialize in price guides and reference books for the antiques and collectibles industry. Bring to life the most cuddly, adorable, spirited parade of bears you've ever seen. The teddy bear, now celebrating its 100th year, has given us the perfect shoulder to cry on, comfy belly to snuggle up to, and fuzzy face to rub. Teddies have also captured the hearts of collectors, who fill their homes with everything from bear-related memorabilia, like board games and serving platters, to dozens of the stuffed animals themselves. Using only three master patterns, you can join in the centennial celebration by making a wide range of lovable bears each with his or her own distinctive personality. Whether you display them, give some away as gifts, or just find them irresistible, this celebratory collection--jam-packed with historical photos and information, as well as teddy facts and trivia will capture your creativity and heart.
