Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from *Stories From Bible History for Home and School* One of the greatest defects manifest in our days is the lack of home and school Instruction in the Bible History. Vast and wide spread ignorance exists concerning the facts, persons, places and sequences of the Ante-Mosaic, Israelitish and New Testament activity. This little book, of elements and rudimentary facts, has been prepared to aid parents and teachers in the development of the soul of the child by the study of the pure depths of holy History. Though it is intended to guide the child-mind along the path of the sacred Narrative, it cannot be denied that the chief thoughts and widest unfoldings of its Record cluster around the manifestation of the Person, and the declaration of the Mediatorial Wonder-work of our adorable, true and only Redeemer, Jesus Christ. To achieve the very best results, for the child, both memorizing and reviewing are necessary. It is earnestly hoped that teachers will first see that the verses to be committed are recited from memory, and discover whether the passages of Scripture, [or marked portions thereof, ] have been read in preparation during the previous week. The book has been so arranged that five lessons are given to reviewing, during the year. This volume may be used at home, or school as one of a series of graded text books, either simultaneously with others, or consecutively. But no child should be promoted unless it knows the facts of the book it lays aside. The Story is the children s part of the lesson.
