The Curious Elephant (Paperback)

By Michael J Miller

Redshoebooks, United States, 2011. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The Curious Elephant completes the elephant book trilogy, which includes The Blind Man s Elephant and The Hijacked Elephant. In all three, the elephant is a metaphor for Christianity. Pastors of religious organizations claim the US and the other Christian nations of the world are not in end-time prophecies, but nothing could be further from the truth. Lacking a clear understanding of the relevance of the covenants to Christianity, however, we ve lost our understanding of the gospel Christ actually delivered in the first century. Christians are supposed to be followers individually, not denominationally, of Christ. Organized churchianity has made 21st century Christianity irrelevant. No wonder so many young people are becoming atheists. Lacking understanding of the gospel delivered by Christ in the first century, it s no surprise we are completely in the dark about understanding the end-time prophecies. It s like trying to unravel a riddle when someone has given us an incorrect clue. It s hopeless. And it shows today especially when we are repeatedly told the US is not in end-time prophecies. Comprehending the...
