Frontline, United States, 2014. Paperback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book. The question of how the church deals with homosexuality has become the great moral and spiritual issue of this generation. How do we respond to gay people who tell us how much they love the Lord and experience God's power? How do we answer them when they say that the greatest law is the law of love, and that love requires us to embrace them as they are? What do we do with the argument that the Old Testament laws (such as the prohibition against homosexuality and the dietary laws) no longer apply? **Gay and Christian?** will provide solid biblical answers, clearly written and based on sound scholarship, in a compassionate way that causes the reader to wrestle with the issues and discover the biblical truth. The book also provides practical guidelines for ministry and shows readers how they can resist the gay agenda while reaching out to their gay friends and family.
