1001 Inventions That Changed the World

By Jack Challoner

Barron's Educational Series, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: (back cover) Every day we make use of countless inventions that we take for granted. Some, such as safety pins and toothbrushes, are simple domestic items that make our lives easier. Others, such as traffic lights and antibiotics, can make the difference between life and death. But how much do you actually know about these objects that are part of our daily lives? 1001 Inventions That Changed the World is an enthralling guide to the world's most important scientific and technological advances. Authoritatively written by a team of historians, designers, scientists, and anthropologists, 1001 Inventions That Changed the World tells the stories behind the innovations, thus presenting a comprehensive history of the world--through invention and discovery. (front flap) Have you ever wondered who made the first moving staircase that eventually became the escalator--or mused over when the first pair of scissors were used? From the development of the abacus to the creation of the zipper, 1001 Inventions That Changed the World presents a fascinating and comprehensive review of the scientific and technological breakthroughs that have had an impact on the human experience....
