Like a siren singing on a lonely beach, it calls her into its numbing center. And what s worse, Elizabeth Lawson can t seem to resist it. Like a friend it welcomes her and allows her a place to hide in secret from a world she doesn t understand. Like a drug it creeps under her skin, leaving her shaking with need. What starts out as an escape becomes an obsession and quickly graduates into an addiction. Escaping her father s recent death and a move halfway across the world to the Solomon Islands - a place she had never heard of before - she grasps for anything that might make her feel normal again. The windy shadows stalk her, calling her back to pay tribute every day - and each day she returns like an obedient child. She finds herself venturing deeper and deeper into the darkness. Human skulls stacked in a pyramid next to the entrance of the cave don t frighten her away. She explores until at last she finds a beaded net that shimmers in the light covering a doorway to the dark depths of the inner cave. She has a choice. She makes it quickly. But when she slices the net to obtain a strand of beads, she awakens an evil that makes death seem like a kind friend. As the shadows begin to swirl around her, she realizes her mistake a second too late. This is Book 1 in the Vele and the...
