Appendix I Scope and Methodology We are aware that many items on our equipment list are being used in local jurisdictions for fire fighting and HAZMAT operations; however, for the purposes of identifying procurement costs, we assumed the notional city would have no preexisting HAZMAT capabilities. We consulted with federal government officials to derive procurement costs. As mentioned previously, our procurement costs are for operational equipment, do not reflect additional equipment that might be maintained as a stockpile, and may not reflect the actual prices a local jurisdiction might pay. Replacement costs due to a large-scale incident, such as the Oklahoma City bombing, were not considered. We did not include training...
