

What is Madness?

By Darian Leader

Paperback. Book Condition: New. Not Signed; What is Madness? is Darian Leader's probing study of madness, sanity, and everything in between. What separates the sane from the mad? How hard or easy is it to tell them apart? And what if the difference is really between being mad and going mad? In this landmark work Darian Leader undermines common conceptions of madness. Through case studies like the apparently 'normal' Harold Shipman, he shows that madness rarely conforms to standard models. What is Madness? explores the idea of quiet madness - that at times many of us live interior lives that are far from sane but allow us to function normally and unthreateningly - he argues that we must seek a new way to assess, treat and deal with those suffering mental health problems. What is Madness? is Darian Leader's radically insightful and masterfully convincing exploration of a painful, complex but endlessly fascinating area of humanity. A terrific intellectual stylist. (Joseph O' Neill, Guardian). Engrossing and enlightening. Leader is as much a philosopher as a psychoanalyst. (Metro). The mad have been segregated and often confined; for fear, perhaps, that they will contaminate the rest of us. But...
