

Electro-Dentistry Facts, and Observations (Classic Reprint) (Paperback)

By Joseph Snape

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Electro-Dentistry Facts, and Observations That the application of Electricity during the extraction of a tooth will produce local anaesthesia, is a fact which, during the last sixteen years, I have had opportunities of verifying many thousands of times, as scarcely a day has passed without my having several operations. When in 1858 the results of my first experiments were published the subject excited intense and general interest, which a few in the profession still feel, and who continue the use of the electrical anaesthetic with success to themselves and comfort to their patients. By the majority, however, it has been abandoned, chiefly on account of the character of the anaesthesia produced, - the want of manageable electrical machines, - forceps properly insulated, and other minutiae necessary to success, which time, attention, and perseverance can alone develop. The first edition of my little monograph was published chiefly for the purpose of saving both my health and time, by sending it, instead of writing long letters in answer to many hundreds received upon the subject. Not wishing...
