Paulist Press International, U.S., United States, 2016. Paperback. Book Condition: New. 202 x 127 mm. Language: English . Brand New Book. In exploring the Divine Feminine imagined in Mary, *When Mary Becomes Cosmic* opens us to another way to honour her - not unlike the mystics, who have travelled along this path to the depths- and helps us to explore the richness that lies in what Jung referred to as the Catholic Church's treasury of image and metaphor. The archetypal images found in ancient and treasured Litany or Loreto form the framework for this book, and, enriched with quotes from a variety of spiritual writers, Richo guides us through reflections on: Who is Mary? and What is the Divine Feminine? Finally in the appendix, *A Retreat with Mary*, the author encourages prayer with suggestions for various ways of praying with music, art, movement, silence, etc. as well as being with the image of Mary.
