Brand New Book ***** Print on Demand *****.Summer Star I love the world we re in, where you ll always be my summer Sky. I could live here forever. Dylan Morgan has lived and breathed his life as lead singer of Blue Phoenix for eight years and now it s suffocating him. On the verge of a breakdown, he cuts off his signature long-hair and walks away from the band. Returning to a place from his childhood, Dylan s life collides with Sky Davis, the girl who doesn t know or care who he is. Usually girls fall at his feet in a star-struck heap, so Dylan is intrigued by and attracted to the girl who d rather read about hot guys in books than succumb to his charms. What follows is an unsuccessful battle to keep his rock star ego under control and his hands off Sky. The harder Sky fights her attraction to him, the harder Dylan tries to get her attention. But a girl like Sky needs more than a smouldering look and a bacon sandwich to win her over. Dylan and Sky find themselves lost together in the fantasy of a holiday romance by the sea, but the reality of who Dylan is threatens to break the illusion at any moment. Summer Star is a companion novella to Summer Sky, a retelling of Part One from Dylan s point of view.
