It shows when the Crucifixion really occurred, and how to confirm that from the Old Testament alone. Fresh insights reveal previously unrecognized parallels between the Crucifixion and modern history that illustrate how the Crucifixion timeline is a key to understanding end times prophecy. Recognizing our place in the procession of last day events will enable those who already know the Lord as their savior to become more efficient in their Christian service. Twelve previously unrecognized patterns illustrate where we are in that schedule of last day events. Even if you disagree with the positions presented, these are issues you need to have answers for.
