CLEMEA/Cengage Learning India, 2009. Softcover. Book Condition: New. First edition. This edition is designed to meet the rapidly emerging demand for coverage of new international financial reporting standards (IFRS) and the globalization of accounting in advanced courses. The book is based on an IASB framework but the European directives, especially as regards detailed formats having no direct equivalent in IFRS, are discussed in detail. The European context and, in the case of important markets, the national context is recognized and contrasted with the international approach. Important non-European influences, especially those from the US, are included in order to provide a genuinely wide-ranging appreciation of the implications of accounting internationalism.
