Brand New Book ***** Print on Demand *****.Did you ever want to learn how to make your photos stand out? ** Get this book by Amazon Best Selling Author Edward Bailey ** Do you think Photoshop is too complicated for you? If you answered YES to both questions, then this book is perfect for you. You can make your photos stand out and you can do it easily. This book will help you realize that the photo-editing processes in Photoshop aren't complicated and you can edit your images like a pro. Whenever we look through magazines or browse some websites, we see photos of high quality. These photos didn't always look perfect. They started as ordinary photos taken by a person who wanted to point something out or to capture some beauty or simply to take a picture of someone else or even themselves. Yes, these photographs were edited. The only reason they look perfect to you is because the photographer or graphic designer wanted to make the focus of the photo stand out or to express his or her creativity. If you ever wondered how amazing it would be to actually make your own images look like that, then this book is the ideal solution for you. The book teaches you how to edit images using the same techniques as professional editors and photographers. People usually get discouraged whenever they hear or read the word professional. To them, the word immediately indicates a complicated and time-consuming process that they would never be able to understand or even perform. This is, exactly what makes this book different from all other books; the simplicity. Here is what this book will teach...
