On his death bed, five years later, he makes a sinister prediction to his son Madhavachary, that the evil may return, although its perpetrator a British soldier James Hil was deported to England. In 1792, Madhavachary's days go by, as did his father's, in rituals, family affairs and offering counsel to the villagers. He lives with his two sons, a widowed daughter and the youngest daughter. Madhavachary discovers an unnatural tale of evil and a mysterious discovery that led to its destruction but was it destroyed?.
