## UNDERTAKING EDUCATIONAL CHALLENGES IN THE 21ST CENTURY: RESEARCH FROM THE FIELD (PB)

Information Age Publishing. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 9.1in. x 6.1in. x 0.7in. A volume in Research on Education in Africa, the Caribbean, and the Middle East Cynthia Szymanski Sunal and Kagendo Mutua, Series Editors This is Book V in the series, Research on Education in Africa, the Caribbean and the Middle East. The series strives to encourage the presentation of evidence based investigations using data collected on site from the three world regions it considers. A strong focus is on data specific to a nation or to a region within a nation, as we recognize that nations are diverse, often encompassing regions with unique cultural and geographic characteristics. The data are rooted in the voices of individuals and communities. Such evidential data are analyzed and interpreted within the context of the complex human and natural environments from which they are derived. Chapters in the books within the series describe investigations that are part of an effort to continue the publication of an annual compilation of research studies in the three world regions upon which the series focuses. The series, therefore, indicates that the need to develop modern, self-sufficient, independent, and post-colonial societies is being balanced with the need to strengthen cultural values and identities within these three world regions. Book V in the series focuses on how the educational challenges found in these three world regions are addressed. The chapters specifically examine related recent research, identify useful investigative methodologies, identify accomplishments in meeting challenges, and consider unresolved challenges. The overarching questions presented below were derived from an analysis of the questions, methods, and conclusions presented in the studies appearing in this book. These overarching questions described here reflect the connections between educational issues that emerged in the 20th century and issues identified in the 21st century. This item...
