This pdf is definitely worth getting. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, End Zone, Don DeLillo, 'Nobody, it seems, could write better than this. No one could have a clearer vision of the micro-circuitry of post-modern life' Evening Standard Ostensibly, DeLillo's blackly comic second novel is about Gary Harkness, a football player and student at Logos College, west Texas. During a season of unprecedented success, Gary becomes increasingly fixated on the threat of nuclear war. Both frightened and fascinated by the prospect, he listens to his team-mates discussing match tactics in much the same terms as generals might contemplate global conflict. But as the terminologies of football and nuclear war -- the language of end zones -- become interchanged, the polysemous nature of words emerges, and DeLillo forces us to see beyond the sterile reality of substitution. This clever and playful novel is a timeless and topical study of human beings' obsession with conflict and confrontation. 'Powerfully funny, oblique, testy, and playful, tearing along in dazzling cinematic spurts .A masterful novel' Washington Post.
