He creates a model of quantum reality, which explains ancestral influences, distant treatment, and the cause of our experience of reality. The model shows that we are all connected and created in a logical and orderly relationship with one another to give us more happiness and less pain, which suggests a loving creation process. At the spiritual level, Flint uses the model to define the soul and to discuss prayer and afterlife. He defines Wisdom as a rich resource in the hidden reality. It can be used to cause deep healing of many issues. Examples of the communication between the therapist and patient teaches the reader a way to treat intruding souls, ancestral fields, and to use. Wisdom to treat common issues. Other experimental interventions are given. *Healing Your Mind and Soul* is an invaluable self-help guide that breaks important new therapeutic ground for both the health professional and the layperson.
