

## My Nights with Leukemia: Caring for Children with Cancer

By Michael W Perry

Inkling Books. Paperback. Book Condition: New. Paperback. 204 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. This is a moving and realistic look at what it was like to care for children with cancer, particularly leukemia, on night shift in the Hematology-Oncology unit at one of the nations top childrens hospitals. Here are some quotations from the book. The first describes how I felt when I had only seen those children from a distance. I can easily explain why I didnt want to work Hem-Onc. First, look at the picture of the lovely little girl at the start of this chapter (as well as the front cover of the print edition). Made up to look like a bunny, perhaps for a birthday party, she seems in robust good health, doesnt she Now look at the girl whose picture opens the next chapter (and the back cover of the print edition). Yes, its the same girl, maybe only a few months later. Shes been diagnosed with leukemia and blasted with the horrors of chemotherapy. Those two pictures demonstrate far better than any words I might say what working on Hem-Onc meant. It meant being one of those who transformed children who came in...
