I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Up in the attic, that's where Alice's mother used to escape to -- and it's where, so Alice has been told, she plotted the murder of her own stepfather. Now, years later, with her mother locked away for life, the attic is where Alice finds comfort in her solitude, writing poetry and painting pictures. When Alice finally finds the courage to come out of her shell, exchanging her dowdy looks for flattering clothes and make-up, her life is completely transformed. She even attends her high school prom with a cute, popular boy. But the night turns suddenly tragic -- sending her new-found happiness crashing down around her, and hurtling Alice into a shattering new life: one that leads her to a shocking reunion with the shadows she had fled. book.
