Brand New Book ***** Print on Demand *****.Visualize the brilliance of the sky illuminating life-until a brief moment thrusts one onto a path not chosen. Mirroring an eclipse, the summer sun disappears behind a circle of darkness as a young man faces his foe of cancer. The hands of time cease their journey as questions go unanswered and prayers seem unheard. There is One who does hear, though-One who stands in that darkness. God knows that the eclipse will come and the world will be without light. His plans will unfold as the sun once again slips into view. It happened at the cross; it still happens today . Gently tucked within these pages are stories created from such a time. For those who mourn, those who seek, those who feel the sun will never again shine, Beyond the Eclipse beckons.
